**(Officer term ending dates/events are noted. Deputies who are NOT Lesser Officers serve at the pleasure of the Great Officer – their term is concurrent with same, or as directed by the Great Officer.)**

**Great Officers (and Direct Report Deputies) Reports:**

**Arts & Sciences, Minister of: Tangwystel Telynores** (Autumn Crown even – warranted to 2020)

COMMENDATIONS: The Event Steward and Class Coordinator for West Kingdom A&S Tournament warping into the Arts & Sciences Day in the Park did an amazing job dealing with the chaos and dynamic situation that necessitated moving the event's date and location and still manage to make the event a success! Commendations respectively to Mistress Morgan Athenry (mka Laurie Cavanaugh) and Sir Gregory Falconheart (mka Greg Dawson). Furthermore, Princess Sarah (Lady of the Mists at the time – mka Sarah Rozett), was able to work with Skyline Wilderness Park to get our event booking accepted on very short notice for the new date.

PUBLISHABLE SUMMARY: There are many people making and sharing some great art! West Kingdom Artisans Display is coming to Twelfth Night again this year. The next Wreath of Athena will be held at Spring Crown on March 28. The biggest A&S news is the change in formats for the WK A&S Champion; now chosen per-reign by each set of Royals for their reign. This is expected to create a closer relationship between each set of Royals and their A&S Champion.

Her efforts are to be commended as she filled a position that was brand new and still under development. Urtatim, the web calendar guru, was absent for an extended period on a trip out of the country. Keeping calendar updates current struggled in her absence. She is to be commended for jumping in and getting everything caught up when she returned. I appreciated this effort!

PUBLISHABLE SUMMARY: The Page continues to be published regularly. The recruitment of a successor deputy is an ongoing priority.

**Constable: Christel Leake** (Beltane even – warranted to 2020)

COMMENDATIONS: Duke Fleig is to be commended for his continued generosity with the West Kingdom Welcoming Committee and for assistance with setting up an unfamiliar dayshade at Purgatorio with me I am grateful. Her Majesty's Guard as well as Bearhaven have my continued gratitude for the quick breakdown of Constabulary at Crown on Saturday when I received the call that my husband had been hospitalized and was going into a second emergency surgery. I was able to get to him faster than I could have imagined because of their help. And last but certainly not least to me, I want to commend my husband, Wilhelm Appatheker vom Schwartzwalt, for all the support he gives me in fulfilling my Constabulary goals. As soon as he was healthy enough to come to an event he came to A&S and voluntarily skipped a class he was interested in to sit the far gate entry point all alone with only his nalbinding project for company because the park required it and he took multiple shifts. Baron Carreck and Will also sat the far spot for which I was grateful.

PUBLISHABLE SUMMARY: Volunteer or train to be a Constable at Gate or at Large and make new friends while supporting the West Kingdom. Two hour shifts available at all Kingdom Events. Contact the West Kingdom Constable, THLady Christel Leake via email at [Christel@WestKingdom.org](mailto:Christel@WestKingdom.org) or text or call her at (619)886-6265 (Please no calls or text messages before 9 AM or after 9 PM).

I can't even begin the list of great people that have helped along the way. There are two people that stood out over and above in the roles I asked them to do: Coenwulf Drugerson and Haley An Eich Gil. Without these two individuals the time in office would have been much more difficult. I cannot say enough about these two and so many others.

PUBLISHABLE SUMMARY: All is well. My term ends at Twelfth Night 2020, and Duke Conor will take up the job. The fighter database is working much better now. Office is doing well overall.

**Exchequer, Chancellor of the: Edmund of Surrey** (June Crown odd – warranted to 2021)

The College wishes to recognize and express our appreciation for her years of service. Aasa Throvaldsdottir has taken on the mantle of the office and the College anticipates complete transparency in the transition.

Gold Key (deputy to Chatelaine) has resigned as of Twelfth Night 2020, so first priority for new Chatelaine will be advertising and recruiting for Kingdom Gold Key.

COMMENDATIONS:

PUBLISHABLE SUMMARY: Regalia report and meeting **postponed** until after 12<sup>th</sup> Night.

**Teamster: Randal Patrick Gallagher** (Beltane even – warranted to 2020)

PUBLISHABLE SUMMARY: As I come to the end of my 2 years as the Kingdom Teamster I am saddened that I as of now have no one to take over the job. I however must step down because of things happening in my life. If no one steps up this will make it very difficult for the Royals and I am sorry for this. That being said, here is a list of things that will need to be done to the trailer before Estrella. Trailer brakes checked and repaired if needed, axle greased and a general check of the rest of the trailer. Modifications to the trailer were completed by Havoc and Feargus. However, Havoc states he would like to do a couple more things.

***Chronicler Office – Lesser office report***

**Webminister: Catrin Aderyn** (June Crown even – warranted to 2020)

COMMENDATIONS: Rhys ap Gwion Baird (Clifton Muller), for doing a terrific job of Kingdom IT. He's also stepped up as Cynagua's Webminister, and is helping bring the Cynagua website over to the unified system. This will make it easier to update their website going forward.

PUBLISHABLE SUMMARY: Work on the website has taken a bit of a pause this quarter, but we still have some exciting projects down the line we're eager to begin work on. **Lists: MinaWynter** (Beltane odd – warranted to 2021)  
NO REPORT SUBMITTED

**Royal Archer: Sibeal inghean Alexandair** (March Crown odd – warranted to 2021):

COMMENDATIONS: There are many archers who stand out in both skill and service, but one comes to mind in the forefront. Thorvaldr Fiaksson MKA: Jason Edington, of Ravenshore. This archer started getting active only in the last two years or so. For a year or more he drove an hour, almost every week, to come to the Odd Bodkins practices in Santa Rosa from Ukiah. He made steady improvement in skill. He taught himself to make stunning leather quivers. He has become a Target Archery Marshal and now runs regular practices in Ravenshore (Ukiah) and mentors many new archers. On top of all this improvement, mentoring, and A&S skill, he came out of no-where to win the West Kingdom Archery Championship!

PUBLISHABLE SUMMARY: We are doing our best to work with event stewards in order to hold archery at as many Kingdom events as possible. It is an ongoing challenge with many venues frowning on the sport even through it is safer than many common sports. The Principality archery and thrown weapons officers along with myself are here to help mentor new archers, make new marshals, and facilitate competitions and activities at events.
